

Multilateral Treaty Negotiation, Fall 2011

Revised Class Schedule #3

11/14: A “paradigm shift”: What really happened at COP10?

Must read: ENB summary (history, CLI, theme, and analysis)

Additional reference: CLI decision CRP.5; Cartagena Declaration CRP.3 and CRP.3/rev.3.

11/21: The original Basel regime in 1989:

Must read: the Basel Convention; Kummer, “preface” (esp. Chapter 2)

All students are to submit a one-page diagram showing the main features and structure of the Basel Convention. (Kummer, pp. 47-77 will help)

Additional homework: a graph of Basel ratifications; information available at Basel Convention HP.

11/28: Re-examination: Future of the Basel Regime with the Ban

Free discussion: Each student to make 5 minutes presentation on the theme (either in English or Japanese; may submit a memo).

References: all the materials on the Basel Convention
